

How can Japan, the Organization of Islamic Cooperation (OIC), Islamic Development Bank (IsDB), and the United Nations work together to advance their support for Afghanistan?

We will especially discuss ways to expand the late Dr. Tetsu Nakamura's PMS's irrigation system to an entire Afghanistan. (This is the part of special projects for 110 years' anniversary of Sophia University.)

◆Initial Remarks

Prof. Yoshiaki Terumichi

President of Sophia University

Prof. Ken Aoki
