

Transforming global food system for revitalizing actions for SDGs

Mon., October 23, 2023 15:00–17:00 (JST)

This symposium addresses the transformation of sustainable food system. We discuss the relationship between the SDGs and environmental sustainability at different stages of the global value chain, including food production, product development, sales, and distribution. Dr. Eric Ponthieu will give a keynote speech on the EU's efforts to decarbonise the food system, followed by a panel discussion with experts who will share their own efforts and practices in Japan.

■ Keynote Speech

Dr. Eric Ponthieu

Strategy Director at Fair Trade Advocacy Office; Adjunct Professor at Bologna and Firenze Universities; Former Head of Unit at the European Economic and Social Committee of the EU

**"The EU's pathway to decarbonise the entire food system:
i.e. the farm to fork strategy"**
