

# People and Places in Africa

Dorte Verner, World Bank Lead Agricultural Economist, will show us challenges of agriculture in Africa, which is facing the effects of the climate crisis, as well as the opportunities. Furthermore, we will touch on the beauty, diversity, and people's lives of Africa.

## Dorte Verner

Lead Economist in the Agriculture and Food Global Practice focused on Africa with the World Bank. She works on socioeconomic development, including food security; jobs; climate change; and the fragility, conflict, and violence agenda.
