

War Crimes and Human Rights Protection

In recent years, various violations of human rights and international humanitarian law, including war crimes, have taken place in regional and internal conflicts. How can the international community deal with these violations through the United Nations, the international judicial institutions and international humanitarian assistance agencies? We will discuss this question with international and national experts.

Date Thursday, **October 17, 2024** **18:00-19:30**
