

# EBRD Career Seminar: Our Mission and Your Opportunities

The European Bank for Reconstruction and Development (EBRD) was established in 1991 to help build a new, post-Cold War era in Central and Eastern Europe. It has since played a historic role and gained unique expertise in fostering change in the region - and beyond - investing more than €200 billion in over 7,200 projects. During the seminar, EBRD management team will talk about the brief history and mission of the Bank, and discuss current areas of operations, including our support for Ukraine, and plans for expanding our operations into Sub-Sahara Africa and Iraq. Then the team will brief the participants on career opportunities in the Bank and how to apply for positions. The seminar will be conducted in English.
