

JICA and Human Security: Principles and Practices, including cooperation with International Organizations

Dr. Akihiko Tanaka, President of JICA (Japan International Cooperation Agency) will come to Sophia University to deliver his special lecture on Human Security and its practices to assist fragile, vulnerable, and low-income countries across the world. We will have substantial discussions after his lecture. (This special seminar is also the third seminar in a series of seminars on Human Security and Peacebuilding in 2025.)
