

Global Human Mobility: The Current Situation and Challenges

The current situation and challenges of “international migration” and the prospects for the future will be discussed from a multifaceted approach, including international politics, economics and business. Issues related to migration, which tend to be discussed emotionally and ideologically, will be unraveled through evidence-based discussion, rather than through a binary argument of pro- or anti-acceptance.

Opening Remarks

Prof. Tetsuo Kondo Director, Human Resources Center for International Cooperation,
Sophia University Former UNDP representative in Japan

Keynote Speech (Video message)

“UN IOM's missions and trends and role in global human mobility.”
