

Changes in the Admissions Application Guidelines for AY 2026 entry and after

Starting in 2026 admissions (2026 entry), there will be changes to the admissions application guidelines as follows:

【Standardized Test Scores (SAT/ACT)】

Applicants cannot choose the highest scores from multiple test dates (“Superscore” is not acceptable). If multiple test results are sent directly to our university, applicants should decide which test results of a single date they would like to use and enter the corresponding scores when applying online.

【Proof of English Proficiency (TOEFL®/IELTS Scores)】

TOEFL® Home Edition and IELTS online will not be accepted as Proof of English Proficiency. Only TOEFL® iBT or IELTS (Academic) scores taken at the test center will be accepted as Proof of English Proficiency.
