ONLINE SUMMER SESSION in East Asian Studies 2021

Since its foundation in 1961, Sophia's Summer Session has provided participants with the opportunity to study about Japan and explore the country's relation to Asia and the rest of the world. Students experience various aspects of Japanese culture and society, and witness the myriad of ways in which different cultures of the world are reflected.

In 2021, the Summer Session in East Asian Studies Courses will be hosted entirely online, with all courses conducted live, on-demand, or with a mix of real-time and on-demand classes to maximize both interaction with lecturers and fellow students and flexible delivery across different time zones. By selecting up to three Summer Session courses, you will be able to delve into the culture and contemporary issues of Japan and East Asia, and for beginners, take your first steps in Japanese language. All courses will offer credits upon successful course completion.

*Summer Session in Japanese Language Courses (Intensive Japanese Courses) will not be held in 2021
