

## Online Symposium

# Impact of Economic Sanctions : The cases of the European Union (EU) and the United Nations (UN)

Economic sanctions are enforcement measures authorized under Chapter 7 of the UN Charter. They are applied frequently. However, their effectiveness seems to vary. In this symposium, an EU expert will evaluate the effectiveness of the economic sanctions imposed by the EU and other countries, including Japan, on Russia. Japanese scholars will join to discuss this and other cases applied by the United Nations.
