This residence will hold various kinds of educational programs which are mandatory for residents to participate to achieve Mission & Vision below.

“Sophia-Arrupe International House” is derived from Fr. Arrupe Pedro, who was the twenty-eighth Superior General of the Society of Jesus and made “Jesuit Ignatian Education”, which sets educational policy of Jesuit school. This is because he spread educational goal of Society of Jesus through proposing “Be Men for Others, With Others” and we found the profound relationship between his philosophy and our school motto, “Men and Women for Others with Others.”
